Budgeted Appropriations per In-State Student FTE

2004-05

Source: BOG 2004-05 Approved Budget Recommendations

Notes: Budgeted appropriations per student FTE were calculated by dividing the total budgeted state appropriations by the in-state student FTE for each campus. Nonrecurring items and salary increases are not in this schedule, but are included on B-1.

The appropriation per student shown on the student’s bills for all campuses is $8,486 (This figure is provided by UNC General Administration to the Cashier's Office.)
