The University of North Carolina

Budgeted Appropriations per In-State Student FTE

2005-06

Source: BOG 2005-06 Approved Budget Recommendations

Notes:
- Budgeted appropriations per student FTE were calculated by dividing the total budgeted state appropriations by the in-state student FTE for each campus. Nonrecurring items are not in this schedule, but are included on B-1.
- The appropriation per student shown on the student's bills for all campuses is $9,021. (This figure is provided by UNC General Administration to the Cashier's Office.)
